ONECOLLECTIVE

OneCollective is a tiered Member Rewards Program that is exclusive to the Norths Collective. You can start earning Collective Points as soon as you become a member and you can continue to earn points when you correctly use your membership card for gaming, bar and dining transactions. You can also earn points through a variety of promotions.

There are five different levels or tiers in the OneCollective Program. The level you are on is based on the status points you have earned in a rolling six-month period. The more points you earn the higher the tier and the more rewards you receive. The five levels are Collective, Silver, Gold, Platinum and Diamond.

Levels will be reviewed each month and you can move up to a higher level at this time. However, you can only be moved down once every 6 months, so if you are away for an extended period of time, like an overseas holiday you won't necessarily lose your tier ranking. You are automatically linked to the OneCollective Program (Collective Level) when you become a member, however you have the choice to opt out of the program if you do not wish to participate.

Reward points will expire on December 31 for Collective, Silver and Gold level members.
