MEDIA RELEASE

After extensive negotiations, Norths has decided to cease further discussions regarding de-amalgamating Seagulls.

Therefore, Seagulls shall remain an important part of the Norths Group of Clubs.

I would also like to thank Twin Towns for their interest and professionalism throughout this process.

Norths is aware that the Seagulls property is in need of capital improvements. Our priorities in 2026 will be to address the car park, Lot 2 deck and garden area as well as other improvements within the Club.
